

I Need A Translation Into Chinese

TRADITIONAL OR SIMPLIFIED?

MANDARIN, CANTONESE,
HAKKA OR TAISHANESE
ARE SPOKEN LANGUAGE
SYSTEMS THAT CAN BE
WRITTEN IN EITHER
TRADITIONAL CHINESE OR
SIMPLIFIED CHINESE

Most people who write in Traditional script:

➤ have lived
in Hong Kong
and Taiwan

➤ have lived
20+ years in
the United
States, no
matter where
they moved
from

Most people who write in Simplified script:

➤ have lived in
Mainland China
and Singapore

➤ are recent
migrants from
Mainland China

DO YOU KNOW THE GENERAL
AGE AND GEOGRAPHICAL
ORIGIN OR YOUR TARGET
AUDIENCE? IF SO, WE CAN
TELL YOU WHICH WRITING
SYSTEM WOULD BE MOST
LIKELY PREFERRED.
